Brasil

I started dancing when he was 11 years old, when I was 19 years old I became the first dancer of the “Comdanca” dance company in Joinville/SC and the personal assistant of its director & choreographer Fabiola Bernardez. As professional dancer, I had the opportunity to work with well known Brazilian choreographers like: Carlota Portela, Fernanda Batachama, Rose Calheiros, Rosely Rodrigues and Breno Mascarenhas. With the company Comdanca I had the chance to travel to different countries like the USA, Germany, the Caribbean and Hawaii. I also dedicated my time in setting up dance projects in my hometown, one of the main ones being “Paie de danca” - a project that I coordinated during 5 years and that gave young talents without financial means the opportunity to dance. I participated in various dance festivals in Brasil, including the yearly dance festival of Joinville which is the biggest dance festival in Latin America, as a dancer and choreographer. In 1996 I won the prize of the “Best dancer of Santa Catarina”.
